Debra T. Hindman

RESPONSE

This Response is in reply to the Office Action mailed March 27, 2002, in the subject application. In response to the Office Action, please amend the above-identified application as follows.

Amendment "A"

In the title:

Please amend the title of the invention to read as "Inject-Through Specimen Container."

In the claims:

Please amend claims 1, 3, 4, 5, 6, 8, 14, 20 and 23 as set forth below; a clean copy of these claims as amended is in the appendix hereto.

1. (once amended) A[n improved] specimen container, adapted to enable a user to inject or withdraw materials into or out of said container using a material transfer device with minimal risk of spills or leaks, comprising,
